

Droneguide

For play and leisure

Congratulations on your new drone! Here are the rules and guidelines for using your drone for play and leisure.

The rules are also available on mobile and web in Norwegian www.dronelek.no and www.droneleik.no

Top 5 rules:

1. The drone should always be kept within your sight and operated in a mindful and considerate manner. Never fly near accident sites.
2. Never fly closer than 5 km from airports unless you have explicit clearance to do so.
3. Never fly higher than 120 meters off the ground.
4. Never fly over festivals, military sites or sporting events. Keep a distance of 150 meters.
5. Be considerate of others privacy. Take note of the rules concerning photos and films of other people.
